County (dba Special Transit) with initial funding from the Boulder

County Commissioners, to coordinate an efficient, cost-effective and

accessible transportation system for older adults, people with

disabilities and low-income individuals residing in the county. Via

links hundreds of individuals every day to medical appointments,

treatment centers, meal sites, shelters, adult day care, educational

facilities, and jobs. Our clients include older adults, mentally and

physically challenged individuals, persons with chronic illnesses,

temporarily disabled individuals, children in crisis, and individuals

who are homeless. The organization officially changed its name from

Special Transit to Via Mobility Services on 1/1/2012.

Via Mobility Services (Via) is a vital community resource: The link to our society's discrete and spatially-dispersed activities is travel.

Access to friends, families, employment, shopping and commerce, health and personal care, social interaction, education and cultural enrichment, - and religious expression--nearly all of the benefits of modern society--depend on our ability to transport ourselves from one location to another. High levels of mobility mean high levels of access, choice, and opportunity, which can lead to self-fulfillment, enrichment, independence, and even good health. Low levels of mobility can lead to isolation from friends and lack of access to the community as well as to critical services, food and health care. For many older adults and individuals with disabilities, a lack of mobility options poses one of the greatest challenges to remaining independent.
